Your Correspondence Dated:	January 22, 2007

Our records show that your appeal was postmarked more than 60 days after the date your Funding Commitment Decision Letter was issued, as shown above. Federal Communications Commission (FCC) rules require applicants to postmark appeals within 60 days of the date on the decision letter being appealed. FCC rules do not permit the Universal Service Administrative Company (USAC) to consider your appeal.

If you believe there is a basis for further examination of your application, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be POSTMARKED within 60 days of the above date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

Request for Review/Waiver Request

Dear Sir or Ma'am:

Thank you for the opportunity to appeal the Schools and Libraries Division of the Universal Service Administrative Company. This is regarding 471 499657, FRN 1375209. In the FCDL, dated September 19, 2006 (attached) the Explanation is: "This FRN is a request for Telecommunications Service from a carrier that does not provide telecommunications on a common carriage basis." The Administrator's Decision on Appeal – Funding Year 2006-2007 states "Our records show that your appeal was postmarked more than 60 days after the date your FCDL was issued, as shown above.

We did not appeal to the SLD within 60 days due to an oversight of not reading the denial of the FRN 1375209. However, it is clearly an injustice for Alpine Union School District to not be funded for this FRN.

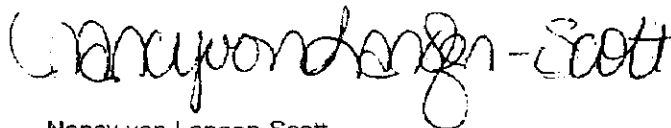

According to Joe Upton, our contact at Arch Wireless, which is now Metrocall, he told us that the SPIN was valid during the 471 application period. It has been a valid SPIN since 1999. Below is the SPIN information showing on the SPIN webpage.

143018525 MetroCall, Inc.	Joe W Upton	3000 Technology Drive, Ste 400, Plano, TX 75074	972801-0458	Y	1999
					2000
					2001
					2002
					2003
					2004
					2005
					2006

The SPIN became invalid during a short time, which happened to be the same time that the review process was being held. On or about September 20, it became a valid SPIN and provider. This funding request should not be denied. Please allow the request to be processed as a Telecommunications service for Alpine Union School District. Please contact me directly if you have any questions. I have enclosed the FCDL and my Letter of Agency. Thank you for your consideration.

Thank you.

Sincerely,
